

**GUIDELINES AGAINST SEXUAL HARASSMENT AY-2022-23**

**VISHAKA GUIDELINES AGAINST SEXUAL HARASSMENT IN WORKPLACE**

The Vishaka Guidelines were a set of procedural guidelines for use in India in cases of sexual harassment. They were promulgated by the Indian Supreme Court in 1997 and were superseded in 2013 by the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act.

Sexual harassment includes such unwelcome sexually determined behavior (whether directly or by implication) as:

- a) physical contact and advances;
- b) A demand or request for sexual Favors;
- c) Sexually colored remarks;
- d) Showing pornography;
- e) Any other unwelcome physical verbal or non-verbal conduct of a sexual nature.

Where any of these acts is committed in circumstances where the victim has a reasonable apprehension that in relation to the victim's employment or work whether she is drawing salary, or honorarium or voluntary, whether in government, public or private enterprise such conduct can be humiliating and may constitute a health and safety problem. It is discriminatory for instance when the woman has reasonable grounds to believe that her objection would disadvantage her in connection with her employment or work including recruiting or promotion or when it creates a hostile work environment.

Adverse consequences might be visited if the victim does not consent to the conduct in question or raises any objection thereto. Thus, sexual harassment need not involve physical contact. Any act that creates a hostile work environment - be it by virtue of cracking lewd jokes, verbal abuse, circulating lewd rumors etc. counts as sexual harassment.

**Employer's obligations**

Employer's obligations Note that the Vishaka Guidelines are not sufficient for legal compliance for employers as the same has been replaced by a full fledged statute of the Parliament. Although the statute mostly retains the framework provided in the Guidelines, there are significant differences and it is the statute that the employers must follow.

**P.T.O**

For instance, the definition of sexual harassment has significantly changed. From this perspective, the Vishaka Guidelines is of only historical and academic importance now. It will also be relevant in cases that were brought up before 2013 enactment of the law.

**Definition of sexual harassment:** Providing a comprehensive definition of sexual harassment at the workplace, encompassing unwelcome sexually determined behavior, whether directly or by implication.

**Employer's responsibilities:** Outlined the responsibilities of employers or persons in charge of workplaces to prevent and address incidents of sexual harassment. This included creating mechanisms to address complaints, organizing awareness programs, and establishing internal committees to handle complaints.

**Complaints mechanism:** The guidelines emphasized the establishment of a complaint redressal mechanism, often known as the Internal Complaints Committee (ICC), within every organization to receive and address complaints of sexual harassment.

**Protection for victims:** Ensured protection for victims against retaliation or victimization when complaints were made.

These guidelines were significant in highlighting the need for legal measures to combat sexual harassment at workplaces in India. Subsequently, the guidelines formed the basis for the formulation and enactment of the Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013, which provided a more comprehensive legal framework addressing these issues.

## POSH ACT 2013

The POSH Act is a legislation enacted by the Government of India in 2013 to address the issue of sexual harassment faced by women in the workplace. The Act aims to create a safe and conducive work environment for women and provide protection against sexual harassment.

### INTRODUCTION

The POSH Act defines sexual harassment to include unwelcome acts such as physical contact and sexual advances, a demand or request for sexual favours, making sexually colored remarks, showing pornography, and any other unwelcome physical, verbal, or non-verbal conduct of a sexual nature.

These guidelines formed the basis for the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The SC also drew its strength from several provisions of the Constitution including Article 15 (against discrimination on grounds only of religion, race, caste, sex, and place of birth), also drawing from relevant International Conventions and norms such as the General Recommendations of the Convention on the Elimination of All Forms of Discrimination Against Women (CEDAW), which India ratified in 1993.

## Key Provisions:

**Prevention and Prohibition:** The Act places a legal obligation on employers to prevent and prohibit sexual harassment in the workplace.

**Internal Complaints Committee (ICC):** Employers are required to constitute an ICC at each Workplace with 10 or more employees to receive and address complaints of sexual harassment.

The Complaints Committees have the powers of civil courts for gathering evidence.

**Duties of Employers:** Employers must undertake awareness programs, provide a safeworking environment, and display information about the POSH Act at the workplace.

**Complaint Mechanism:** The Act lays down a procedure for filing complaints, conducting inquiries, and providing a fair opportunity to the parties involved.

**Penalties:** Non-compliance with the Act's provisions can result in penalties, including fines and cancellation of business licenses.

Domestic workers should be included within the purview of the POSH Act.

It proposes a conciliation process where the complainant and the respondent are initially encouraged to resolve the issue through negotiation and agreement.
