

C.K. COLLEGE OF ENGINEERING & TECHNOLOGY
CUDDALORE - 607 003

Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai
Recognized Institution under section 2(f) & 12(B) of UGC act, 1956

IQAC ANNUAL REPORT FOR THE
ACADEMIC YEAR 2022-23

Our Vision

To be one of the leading educational institutions in engineering education and research activities, contributing to the progress of society.

Through the Win@Life Program, CKCET aspires to raise morally and ethically conscious students and develop their character. In order to help students succeed, the goal is to set new trends, present innovative training approaches like Work Along Program and Industrial Practical Knowledge Training, IoT, SalesForce, AWS, RPA, and other innovative areas are provided to our faculty and students. The newest technologies are of considerably greater interest to students. Faculties are equipped to provide consultancy services to various industries. The goal of education is to teach one to think intensively and critically. But it is also important to remember that intelligence is not to lead a successful life. In order to help our students develop strong character, we therefore impart life values in addition to education.

Our Mission

- To provide high-quality education to students in a diverse learning environment.
- To prepare the next generation of skilled and ethical engineers by providing excellent theory and practical knowledge.
- To partner with communities to provide them with educational, technical and cultural support.

Dr. S. SARAVANAN, M.E., Ph.D.,

Quality Policy

CK College of Engineering and Technology is committed to provide value-based education in the areas of Engineering, Technology and Management and to instill discipline in students through faculty members by setting global standards. This results in making students technically superior and emotionally strong.

Academic achievements

An epitome of our academic achievements is reflected in the success stories and testimonials of our students and alumni. We proudly share the academic excellence and the significant contributions received by our college for this year.

- ❖ A total number of 319 students were admitted for all disciplines in our college.
- ❖ Mentor-mentee relationship plays a vital role in grooming the students. Every mentor will have 14 mentees that he or she will constantly facilitate and guide them for their achievement.
- ❖ In order to see the progress in the performance of the students we organize class committee and course committee meetings thrice in a semester.
- ❖ Students are encouraged for enrollment of certification courses such as NPTEL - , Naan Mudhalvan - etc. They are also encouraged to participate in seminars, symposiums, workshops both in virtual and physical mode.
- ❖ Students effectively had gone for internships and done innovative projects as part of their curriculum.
- ❖ Around 10 faculty members are pursuing doctoral degree. And the faculties are encouraged to publish articles in reputed journals.
