

**ACTION TAKEN FOR STUDENTS FEEDBACK (2018 – 19)**

S. No	Total No. of Feedbacks Received	Threshold Value (Out of 3-pt Scale)	Actual Feedback Received (3-pt Scale)	Feedback Question	Action taken Report
1	718	2.74	2.72	Faculties cover the syllabus with clear explanations on all topics, which helps improve student performance	Faculty members conduct regular assessments of syllabus coverage, ensuring comprehensive explanations on all topics to enhance student understanding and performance. Continuous feedback mechanisms are implemented to address any gaps and further refine teaching methodologies, thereby maximizing student learning outcomes
2	718	2.74	2.73	Faculties clarify students doubts and take remedial measures for slow learners	Faculty members actively address student doubts through regular Q&A sessions and one-on-one consultations, ensuring no student is left behind. Tailored remedial measures, such as additional tutorials and personalized guidance, are provided to support slow learners, fostering an inclusive learning environment
3	718	2.74	2.72	Faculties regularly organize and facilitate students to participate in guest lectures, seminars, workshops, internships, field visits, and industry projects	Faculty members consistently arrange opportunities for students to engage in guest lectures, seminars, workshops, internships, field visits, and industry projects, enriching their learning experience and practical exposure. These initiatives aim to bridge the gap between theoretical knowledge and real-world applications, preparing students for successful careers in their respective fields.
