

STUDENTS FEEDBACK ANALYSIS (2021 – 22)

The Stakeholders feedback has been obtained from the students based on the curriculum and its transactions. For this purpose, a form has been created and circulated to the students. In order to arrive to comprehensive results, statistical tools were used. For the effective presentation of data, the analysis table along with the chart for each question is included herewith. To ensure thorough feedback analysis, the minimum threshold is set within the range of "Very Good", with a value established at 2.73 on a scale of 3 points.
